

Marina Towers Move/Delivery Procedure

All moves and deliveries must be performed at the Marina Level. **Trucks and Motorcycles are NOT allowed on the plaza level at any time! No exceptions will be made.** Entrances to the Marina Level for both towers are located on Kinzie Street, less than a block north of Marina City. Moves and deliveries are allowed Sunday through Saturday, between the hours of 8:00 A.M. to 9:00 P.M., and must have completed the move/delivery and exited the Marina Level by 9:00 P.M. The Marina City Commercial Security Guards lock the entrance gates to the Marina Level at 6:00 P.M. Monday through Friday, and all day Saturday and Sunday. If the gates are closed and you have scheduled a move or delivery with the Management Office, call the Office during working hours or call the Marina Towers Security Officers located at each tower entrance (after hours you can reach security by calling the office number at (312) 644-1187). Inform Security that the gates are closed, and they will contact the MCHE Security officer on duty and request to have those gates opened. Any moves performed on the lower level or the bridge/plaza level will be stopped and the owner of the unit will be fined. Attached with this memo is a map of the Marina Level, including the surrounding streets, for your convenience. **DO NOT LEAVE YOUR CAR UNATTENDED AT ANY TIME AT THE MARINA LEVEL, OR IT MAY BE TOWED!!**

To make a scheduled move or delivery, please contact the MTCA Management Office at (312) 644-1187.

Move In/Move Out

Any residents moving in or out must schedule 24 hours in advance with the Marina Towers Management Office at (312) 644-1187. **All moves must be performed at the Marina Level.** Also, the move-in fee is required by all new residents moving in, and is NOT refundable. The move-in fees are as follows:

Two Bedrooms-	\$400*

Moving times allowed to each unit also varies depending on the size of the unit. Those times are as follows:

Studio-	2 Hours
One Bedroom-	3 Hours
Two Bedroom-	4 Hours

Owners and renters alike must pay move-in fees prior to moving in. For more information on Move-in fee's and corresponding rental approval requirements, please refer to the Rental Approval Requirements sheet (available upon request).

Deliveries

All Deliveries must be scheduled at least 24 hours in advance with the Management Office at (312) 644-1187. Delivery companies are notorious for giving large time windows for an expected delivery. Please make every effort to have that company narrow down a small time frame, and we will make every effort to schedule your delivery accordingly. All deliveries must be brought through the Marina Level despite the number of trips that may be necessary, and despite the fact that any persons other than an actual delivery company will perform the delivery. Please be advised that any unscheduled deliveries that arrive during another delivery or move that was scheduled prior, will have to either reschedule their delivery or wait until the elevator is available.

*** Move-in Fee can change, please call to verify you have the current rate.**
